OTHER WAYS OF PROVIDING ACCESS TO PROCEDURES

- Print procedures to adhesive or magnetic labels and adhere to directly to machine.
- Attach procedures to work orders manually or by linking the digital procedure file to work orders generated in a computer maintenance management system
- Provide access to procedures online, allowing workers to view and print procedures from their own computer

Brady's Lockout PRO software allows you to implement any of the methods above.

See page 420 for further information on Lockout PRO™ software.
